- [*Reconciling Friedman with Corporate Social Responsibility: How Market Competition affects Corporate Social Performance*](#). (2008). VDM Verlag Dr. Muller, Saarbrücken, Germany. Reprint of the dissertation thesis [*Using Friedman to understand the relationship between Market Competition and Corporate Social Performance*](#). (2007). University of Missouri-Columbia.
- *La production du lait en Epire et sa contribution au développement de la région*. (2000). (Milk production in Epirus and its contribution to the development of the region). Université de Montpellier I, France [in French].

Contributions in KEPE Collaborations regarding Development Plans and related projects

- Studies on the local development of disaster-affected areas affected by natural disasters, 2. (2024). *Economic and production reorganization reconstruction in the district of Almyros, Thessaly*. Athens, KEPE. Coauthored with Reziti, I., Skintzi, G. under the supervision of Athanasios Chymis, [in Greek].
- Greek National Productivity Board (2024). *Annual Report: Challenges and Pathways to Sustainable Development*. Author of section 3.6 [*Indicators for FDI, justice and education*](#) (pp. 61-71).
- Studies on the local development of disaster-affected areas affected by natural disasters, 1. (2024). *New pathways to development and innovation in the district of Karditsa*. Athens, KEPE. Coauthored with Bellis, V., Economou, F., Mersellou, E., Reziti, I., Rodousakis, N., and Stamoulis Ch. under the supervision of Pr. Prodromidis [in Greek].
- Greek National Productivity Board (2023). *Annual Report: Challenges and Policies for Sustainable Development*. Author of section 3.5 [*Competitiveness indicators for digitization and AI*](#) (pp. 61-68).
- Greek National Productivity Board (2022). *Annual Report: Struggling for a New Regime*. Author of section 3.4. [*Competitiveness indicators for resilient and sustainable growth*](#) (pp. 63-73).

- Greek National Productivity Board (2021). *Annual Report: Productivity and competitiveness Developments: toward a Resilient and Sustainable Growth*. (2021). Author of section 3.4 [International Competitiveness Indicators](#) (pp. 62-67).
- Greek National Productivity Board (2020). *Annual Report: Recovery and growth through enhancing productivity and competitiveness*. (2020). Author of section 3.4 [International Competitiveness Indicators](#) (pp. 62-67).
- *The development of e-services and tools for entrepreneurship and innovation in Apulia and Western Greece*. (2019-2020). Contributor in several parts. Coordinator of one deliverable. The project was supervised by P. Prodromidis and prepared for the Regional Development Fund of Western Greece as part for the 2014-2020 Greece-Italy Interreg Program.
- Greek National Productivity Board (2019). *Annual Report: The productivity and competitiveness of the Greek economy*: (2019). Author of section 3.2.1 [International Competitiveness Indices](#) (pp. 45-48).
- *Development Plan proposal for the Greek Government*. (2016). Author of the chapters entitled “Upgrading tax administration and tackling tax evasion to improve tax collection” and “Fishing”. The report was coordinated by E. Athanasiou, P. Vlamis, V. Lychnaras, and prepared for the Greek Ministry for the Economy, Development and Tourism [in Greek.]
- *Changes in the Institutional framework of Fiscal management*. (2015). Participation and deliverable submission under the Working Group participation in the General Accountant Office for the processing of the provisions of the Public Accounting based on the 2/53015/0004/11-9-2015 decision of the Ministry of Finance, Athens. The report was coordinated by Dr. Ch. Triantopoulos [in Greek].
- *The Market Definition/Delimitation and Analyses Project - Pilot Study*. (2015). Author of section 4, Vol. 1, pp: 29-33, coordinator of Vol.1 and presenter of one of the deliverables. The study was supervised by Dr. P. Prodromidis and prepared for the Greek Ministry of Development and Competitiveness [in Greek].
- *Tax policy on tobacco products in Greece. Government revenues and illicit trade*. (2014). Author of section 3.1 “Economic theory on tax revenues and tax-rate change.” KEPE collective study [in Greek].
- *Illicit tobacco trade in Greece*. (2014). Author of sections 4.3 “How the price difference between low- and high-priced cigarettes affects illicit trade” and, 5.3 “How price elasticity affects government revenues.” The study was coordinated by Dr. N. Georgikopoulos.
- *The Development Vision for Greece 2020: Provisions, development requirements and funding mechanisms*. (2013). Author of the chapters “Fishing sector” and “Common Fisheries Policy.” The study was co-ordinated by Dr. E. Athanasiou, Dr. Th. Tsekeris and Dr. E. Tsouma [in Greek].
- *Investment Opportunities in Greece*. (2011). Author of the chapter “Investment Opportunities in the Industry-Manufacturing Sector”, (pp. 11-18). The study was coordinated by Dr. N. Georgikopoulos, Athens: Ministry of Development, Competitiveness and Shipping. Updated in 2013.
- *Electronic Transactions: The effect on government revenues through VAT*. (2011). Author of section “The case of South Korea” and part of section “Proposals for application in Greece”. The study was coordinated by Dr. N. Georgikopoulos, Athens: Greek Parliament [in Greek].
- *Size of Competition in the Greek Economy*. (2010). Author of chapters: 2 “Meat Products”, 3 “Fish Industry” and 4 “Fruits and Vegetables Industry” (pp. 43-129). The study was coordi-

nated by Dr. C. Kanellopoulos, Athens: Ministry of Economy, Competitiveness and Shipping [in Greek].

- *Agricultural Sector: Evolution and Perspectives*. (2008). Author of chapter 4, “External Trade and Competitiveness” (“External Trade” pp. 121-159). The study was coordinated by Dr. I. Reziti, Athens: Ministry of Economics [in Greek].
