

Theodoros (Theodore) Tsekeris

Researcher Level

Senior Research Fellow (Research Professor rank)

Research Area:

Transport Economics and Spatial Development

Research Interests:

Rural Development Policies, Island Studies, Productivity and Efficiency, Transport and Regional Economics, Spatial Data Analysis and Econometrics

Current Research:

Regional Productivity and Efficiency, Rural Policies, Accessibility and Infrastructure Investment Assessment, Island Proofing, Regional Input-Output Analysis, Transport, Tourism and Rural Development

Resume

Professional Experience

- Senior Research Fellow, Centre for Planning and Economic Research (KEPE), Athens, Greece (since March 2006).
- Head of Steering Committee, [National Productivity Board of Greece](#) (since April 2019).

- Country-Expert, Organization for Economic Cooperation and Development (OECD), “Toolkit for establishing a Business Observatory in Greek islands”, Paris, France (July – November 2025).
- External Research Associate in "Econometrics and Regional Development", National Centre of Social Research (EKKE), Athens, Greece (February 2024 – December 2025).
- Tutor-Professor, "Transportation Systems Management", M.Sc. "Supply Chain Management", School of Social Sciences, Hellenic Open University (since October 2020).
- Extraordinary Professor, School of Public Leadership, Stellenbosch University, Cape Town, South Africa (since January 2016).
- Academic Visitor, École Polytechnique Fédérale de Lausanne (EPFL), Lausanne, Switzerland (September 2010-January 2011).
- Visiting Lecturer in the Postgraduate Program “Organizational and Economic Psychology”, Panteion University of Social and Political Sciences, Athens (acad. year 2008-2010).
- Adjunct Lecturer in Transportation, Department of Civil Engineering, University of Thessaly (acad. year 2008-2009).
- Senior Research Associate, Dept. Transportation Planning and Engineering, and Rural and Surveying Engineering, National Technical University of Athens (NTUA), Greece (since March 2006; Senior Researcher between June 2004 – February 2006).
- Research Assistant Specialist, Institute of Transportation Studies, University of California at Berkeley, CA (October 2002 – March 2003).

Further Professional Experience

- International Peer-Learning OECD Workshop “Setting Regional Priorities for Industrial Renewal and Strategic Diversification in the Post-2027 Period”, Ministry of Economy and Finance, Hellenic Republic, Athens, 2026.
- Course in “Online and Distance Education”, Hellenic Open University, Greece, 2023.
- Course in Freeway Operation Simulation, Technology Transfer Program, University of California, Berkeley, California, 2023.
- Workshop in Urban Simulations, National Technical University of Athens, 2011.
- Advanced Course in Dynamic Simulation and Control of Traffic Flow, Technical University of Crete, Chania, 1999.

- Master of Philosophy Foundation Course in Town Planning, The Bartlett School of Planning, University College London, University of London, London, U.K. (1998-99).

Academic Credentials

- Ph.D. in Transport (Planning and Economics), National Technical University of Athens (NTUA), Greece.
- M.Sc. and Diploma in Transport (specialisation in Transport Econometrics), Imperial College and University College London, University of London, U.K.
- B.Eng. (Honours) in Civil Engineering, City, University of London, U.K. (1997).

- "Darwin and social complexity. Extensions to the computational economics." *Scientific Conference «Charles Darwin: His Life and Scientific Work»*, University of Athens. (December 2009). (Presented with Ch. Tsekeris and M.R.P. Mougnaï).

- “Intra-sectoral competition model of fiscal externalities in Greek government transport investments.” 21st Conference of the Hellenic Operational Research Society, Athens, Greece (May, 2009.)
- “Epistemological developments in social simulations.” 12th Panhellenic Conference of Psychological Research, Greek Psychological Association, University of Thessaly, Volos. (May, 2009.)
- “Determining patterns of transport market competition by a consumer demand system.” 20th Conference of the Hellenic Operational Research Society, Spetses, Greece. (June, 2008).
- “Methodology for monitoring and control of urban network traffic state using dynamic assignment procedures and demand constraints.” Workshop on Control Strategies for Networks and Traffic Signals, NTUA, Athens, Greece. (February, 2005) (Presented with A. Stathopoulos.)
- “Integrated framework for dynamic implementation and evaluation of routing information provision services in urban areas.” 2nd International Congress on Transportation Research in Greece, Hellenic Institute of Transport, Athens, Greece. (February, 2004) (Presented with A. Stathopoulos.)
- “On-line dynamic travel demand estimators for metropolitan areas.” UCTC 9th Annual Conference, UCLA, Los Angeles, CA. (February, 2003.)
- “Analysis of reliability and information degradation of time-dependent O-D matrices in large-scale networks.” Transportation Research Board 82nd Annual Meeting, National Research Council, Washington, D.C. (January, 2003) (Presented with A. Stathopoulos.)

Coordination and Evaluation in Scientific Conferences, Meetings and Workshops

- 24th Scientific Conference of the Hellenic Association of Greek Regional Scientists, Athens, Greece, 6-7 November 2026.
- 18th International Conference on Island Tourism–ICIT “Islands in Transition: Policy, Development and Resilience”, 28-31 October, 2026 (Member of Scientific Committee).
- 2nd International Conference “Intermodal Transports: Innovations in Planning, Management, Business Development & Decision Making”, Department of Economics, Democritus University of Thrace, Alexandroupolis, 12-15 October 2021 (Member of Scientific Committee).
- 2nd Forum for the Digital Future in Greece (2018) «Greece in the 4th Industrial Revolution”, Technical Chamber of Greece, Athens, 13 March 2018 (Member of the Organising and Scientific Committee).
- 1st Forum for the Digital Future in Greece (2017) «Digital Policies for the Human Capital and Economic Development», Technical Chamber of Greece, Athens, 3 March 2017 (Member of Organising Committee).

- «The Digital Revolution in Transport and Shipping» Panel, International Conference E-LIFE, Lake Plastira, Greece 23-26 June 2016. (Member of Organising and Scientific Committee).
- 14th World Conference on Transport Research, Shanghai, China, July 10-15, 2016.
- 8th IFAC Conference on Manufacturing Modelling, Management and Control, University of Technology of Troyes, France, June 28-30, 2016.
- International Conference on Internet of Things and Cloud Computing, The Møller Centre, Churchill College, University of Cambridge, U.K., March 22-23, 2016 (Member of Scientific Committee).
- «The Future of the Internet and its Social Dynamics», 4o International Conference E-LIFE, Athens, 6-7 November 2015. (Member of Organising and Scientific Committee).
- International Conference on Vehicle Technology and Intelligent Transport Systems, Lisbon, Portugal, May 20-22, 2015 ((Member of Scientific Committee).
- 2014 Multinational Finance Society Winter Conference, Athens, 14-16 December 2014 (Μέλος της Οργανωτικής Επιτροπής).
- 6th International Congress on Transport Research in Greece, October 2013 (Member of Scientific Committee).
- 16th International IEEE Annual Conference on Intelligent Transportation Systems, The Hague, The Netherlands, October 6-9, 2013.
- 4th International Conference on Computational Logistics, Copenhagen, Denmark, September 25-27, 2013 (Member of Scientific Committee).
- 13th IFAC Symposium on Large Scale Complex Systems: Theory and Applications, Shanghai Jiao Tong University, Shanghai, China, July 7-10, 2013.
- 15th International IEEE Annual Conference on Intelligent Transportation Systems, Anchorage, Alaska, September 16-19, 2012.
- Transportation Research Board 91st Annual Meeting, National Research Council, Washington, D.C., January 22-26, 2012.
- 2nd International Conference on Computational Logistics, Hamburg, Germany, September 19-22, 2011 ((Member of Organising and Scientific Committee).
- Transportation Research Board 90th Annual Meeting, National Research Council, Washington, D.C., January 23-27, 2011.
- 5th European Workshop on Evolutionary Computation in Transportation and Logistics, Torino, Italy, April 27-29, 2011 (Member of Organising and Scientific Committee).
- 13th International IEEE Annual Conference on Intelligent Transportation Systems, Madeira Island, Portugal, September 19-22, 2010.
- 4th European Workshop on Evolutionary Computation in Transportation and Logistics, Istanbul, Turkey, April 7-9, 2010 (Member of Scientific Committee).

- Transportation Research Board 89th Annual Meeting, National Research Council, Washington, D.C., January 10-14, 2010
- 3rd European Workshop on Evolutionary Computation in Transportation and Logistics, Tübingen, Germany, April 15-17, 2009 (Member of Scientific Committee).
- Transportation Research Board 88th Annual Meeting, National Research Council, Washington, D.C., January 11-15, 2009
- 10th International Conference on Applications of Advanced Technologies in Transportation, Athens, Greece, May 27-31, 2008
- Transportation Research Board 87th Annual Meeting, National Research Council, Washington, D.C., January 13-17, 2008
- 2nd European Workshop on Evolutionary Computation in Transportation and Logistics, Naples, Italy, 26-28 March, 2008 (Member of Scientific Committee).
- 1st European Workshop on Evolutionary Computation in Transportation and Logistics, Valencia, Spain, 11-13 April, 2007 (Member of Scientific Committee).
- 3rd International Congress on Transport Research in Greece, Thessaloniki, Greece, 19-20 May 2006.
- Transportation Research Board 85th Annual Meeting, National Research Council, Washington, D.C., January 22-26, 2006
- Transportation Research Board 84th Annual Meeting, National Research Council, Washington, D.C., January 9-13, 2005
- 2nd International Congress on Transport Research in Greece, Athens, Greece, 26-27 February, 2004.
- Transportation Research Board 83rd Annual Meeting, National Research Council, Washington, D.C., January 11-15, 2004
- 1st International Congress on Transport Research in Greece, Athens, Greece, 21-22 February 2002.
